

CAT ADOPTION APPLICATION

HEARTS ALIVE VILLAGE LAS VEGAS

INFO@havlv.com---www.havlv.com

We reserve the right to approve or disapprove any adoption.

Thank you for your interest in adopting a pet from Hearts Alive Village.

Please read this section before completing the Adoption Application.

1. We require a completed Adoption Application prior to arranging a meet & greet with the pet you are interested in. This is for the protection of our volunteers as well as the animals in our care.
2. All applicants must submit verifiable references.
3. We require a home visit prior to any adoption being finalized.
4. All pets are spayed/neutered, vaccinated and microchipped prior to adoption.
5. Our standard adoption fee is \$100; if there is an exception to this fee for a particular pet, it will be listed in the pet's information. You may pay the adoption fee online using a credit card via Paypal.com (you do not need to set up a PayPal account to do this) prior to taking your new pet home.
6. All approved adopters must sign an Adoption Agreement. The Adoption Agreement stipulates, among other things, that the pet **MUST** be returned to Hearts Alive Village if the adoption does not work out for any reason. **You are not allowed to give the pet away, sell it on Craigslist or bring it to the shelter.**
7. We reserve the right to decline an adoption at our discretion and without notice.
